

Lumenix – LED Retrofits Made Easy

ABOUT

Lumenix was founded on the vision that LED lighting would be the first widely adopted clean technology to reduce energy, without requiring a change in human behaviour. Their mission is to make LED Retrofits Easy™ by partnering with the best manufacturers in the world to deliver customized solutions for Canada and combining it with a 5-yr service model that is unparalleled in the industry.

MEMBERS GET

- 50 - 70% energy savings
