

Building Up

Building Up

ABOUT

Building Up is a non-profit social enterprise that works in co-operative housing to reduce water and energy consumption and generate significant financial savings. In addition, the organization provides training and employment in the trades to people from disadvantaged communities.

MEMBERS GET

- installation of 3 litre toilets, low-flow showerheads and faucet aerators
- average annual savings per unit of \$149.38
- payback between 1 - 3 years
- option to pay nothing upfront - pay over time through water savings
- the most efficient toilet in Canada - technology that represents a 50% improvement on existing high efficiency toilets

THE DEAL

- water efficient retrofits for co-ops
- free water audit available to all co-ops to project your savings
- guaranteed, all-inclusive low price for member co-ops
