CityReporter by Noratek

ABOUT

Noratek Solutions has developed a housing unit and building inspection software called *CityReporter*. This tool helps manage maintenance and repair of units and overall grounds more efficiently.

MEMBERS GET

CityReporter unit inspection software with new content specifically for inspecting co-op units

- Mobile and PC based inspection software package that provides an efficient and accurate inspection process

- Documents and tracks every concern and completed repair with photographs

- Copies of inspection results can be automatically emailed to occupants, managers and maintenance staff

- Automated reminders help you manage outstanding repairs, inspections and upcoming workload

- Access to an extensive and detailed reporting and full unit history with just a click of your mouse

THE DEAL

- **FREE Live Demo of the software**
- **A Co-op cost cutters discount on purchase and renewal**
